

Amino Acid 45%

(Total Nitrogen 15%)

GUARANTEED ANALYSIS

Total Nitrogen (N) **15%**

Guaranteed through MWL WC PROC 55 analysis method in USA authorized laboratories.

Amino Acid 45% is derived from soy bean with a 15% minimum of nitrogen and little to no chloride or sodium. 100% water soluble. Ideal for correcting nitrogen deficient crops and used as a plant nutrient for agriculture, turf and ornamentals.

This vegetable based protein **Amino Acid** will amend any nutrient deficiencies, improve the fruit set up, strengthen the immunity of plants, help the plants resist stress and early mortality. It contains 17 of the 20 known amino acids.

KEEP OUT OF REACH OF CHILDREN

General Application:

550 gm - 2.8 kg/ha

*Application rates vary due to tilling methods, climate, and frequency of applications.

Please refer to the batch number on the container.

Net content 20 kg
