

Neem Cake

GUARANTEED ANALYSIS

Neem Cake **100%**

Guaranteed through IS 14299: 2004 analysis method in USA authorized laboratories.

Neem Cake is organically obtained from the neem kernel. The organic extraction gives our **Neem Cake** superb nutrient content specifically in its high azadirachtin content. Good for all soils, all crops, all seasons.

Advantages include, but not limited to:

- Increases resistance to pathogens
- Enriches soil nutrients and aerates
- Induces growth of beneficial flora

KEEP OUT OF REACH OF CHILDREN

Neem Cake can be mixed in soil and around the roots of plants, vegetables, fruits, bushes and trees.
